

Kids age 6-13 - Beat the heat and join us for a fun and amazing time painting, crafting, and creating in our Summer ART Program!

During each week, we will explore many different artistic mediums including pottery, canvas, mosaic, clay hand building, wood board art, string art, and much more!

Remember not all artwork has to be canvas or ceramics. We will show your kids how to make a one-of-a-kind masterpiece using different mediums. Get ready to create!
